BEGGED
And Called an Officer a "Slob."

Dayton Man Was Promptly Locked Up.

A Mixed Lot in His Honor's Court.

"I met him on Mill st. He was under the influence of liquor and asked me for money. Then he called me a 'slob' and other names." This was Prisonkeeper John E. Washer's statement when His Honor inquired what was special in the case of Dick Barny, of Dayton, charged with intoxication, Saturday in Police court.

Barney snickered, but the court frowned and suspended a 30 day sentence provided the prisoner leave town at once. In a second Barney had flown.

Albert Davis, charged with pointing a revolver at Austin Berger, pleaded not guilty, and will have a hearing Wednesday.

Dan and David Gillhooly failed to appear to answer to a charge of fighting and their cases will be heard Wednesday.

Geo. Wildes said he had never been arrested before and was fined \$1 and costs for intoxication.

Wm. Bloch, charged with fighting with Henry Jacobson, pleaded not guilty. His case was also continued.

Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

PAXTON BOY
Brought In on Charge of Assault.

Father of a Little Girl Made the Complaint.

Architect Golden, a 14-year-old Paxton boy, pleaded not guilty in Police court Saturday to a charge of attempted criminal assault on 9-year-old Julia Patton. Golden's parents live on a small place at Paxton, and he has been employed by Elijah Patton, the girl's father.

It is alleged that last Wednesday, Archibald found the little girl at the barn and laid violent hands on her. At about the same moment Mr. Patton came along.

Officer Doerler arrested young Golden, Friday afternoon, upon complaint of the girl's father. Mayor Doyle continued the case until Monday.

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I was induced to try Foley's Kidney Cure, and after the use of three bottles I am cured."
